Your TFSA + RRSP + Margin Multi-Brokerage Tracker Is Ready.

Your TFSAs, RRSPs and Margin and Cash accounts, at up to 8 brokerages, in one Google Sheet · TFSA and RRSP room · collateral · Line 22100

Three kinds of accounts follow three sets of rules. Your TFSA is tax-free, your RRSP is taxed only when you take money out, and your margin account is taxed every year. Spread across more than one brokerage, nobody sees the whole picture. This tracker adds everything up: one TFSA room for all your TFSAs, one RRSP room for all your RRSPs, your margin loan and loan-to-value at each brokerage, the extra borrowing power your TFSA gives you, and your tax numbers. It comes with sample data so you can see it working first.

(The /copy at the end of the link makes Google ask you to save your own copy. If clicking does not work, copy the link into your browser.)

GET STARTED: 6 STEPS

1 Make Your Own Copy
Click the link above, then click Make a copy. Rename it, for example "TFSA + RRSP + Margin Tracker 2026". Always work in YOUR copy, never the original.

2 Clear the Sample Data
Open the MapleSheet menu at the top of the sheet and click Clear Sample Data. Your formulas, dropdowns and settings stay in place. (First time? Google asks you to authorize the menu: click Continue and Allow.)

3 Fill In Settings & Goals
Only edit the amber cells: your name, Active Year, up to 8 brokerages with each one's margin rate and TFSA collateral rate, your TFSA room on January 1 (CRA My Account) and your RRSP deduction limit (Notice of Assessment).

4 Log Your Transactions
In the Transaction Log, one row per transaction: Date, Institution, Account (TFSA, RRSP, Margin or Cash), Type and the amount. A Deposit into a TFSA or RRSP is a contribution. Log each monthly margin interest charge as Margin Interest.

5 Log Your Investments
For each purchase: Type = Buy, the ticker (TSE:XEQT for Canadian, NYSE:JNJ for US), shares and price. US stock? Pick USD in the Currency column. Column P flags anything to double-check.

6 Watch It Add Up
The Main Dashboard shows every brokerage, your TFSA and RRSP room, your margin loan and the borrowing power your TFSA adds. At tax time, the Tax Summary gives you Lines 12000, 12100, 12700, 20800 and 22100.
