TFSA, RRSP, RESP & Margin Tracker v2.0

All 4 Canadian investment accounts in one Google Sheet — with sample portfolio data

Your Template Link (Make a Copy — View Only)

https://docs.google.com/spreadsheets/d/1Co8Bmaz51DLHRFCkkpb2AHM0hoBvYE3EEq9Ejuy-ouU/copy

STEP 1 Click the link below to open your tracker

STEP 2 Click File → Make a copy to save your personal version to Google Drive

STEP 3 Go to Settings & Goals tab — enter your name, Active Year, TFSA/RRSP limits, RESP beneficiary names and dates of birth, and your broker's Margin Rate

STEP 4 Open Transaction Log — replace the sample data with your own transactions. Choose Account: TFSA, RRSP, RESP, or Margin. All tabs update automatically.

STEP 5 Check the Main Dashboard to see your combined net worth across all 4 accounts. Check the RESP Tracker for CESG grant status.

WHAT'S INSIDE — 13 TABS

Start Here Setup guide, column instructions, entry guide for all 4 accounts

Transaction Log The only tab you type into — all 4 accounts, all transactions

Main Dashboard Combined TFSA + RRSP + RESP + Margin net worth · Live calculation

TFSA Portfolio Auto-populated holdings · Live prices · ACB · Gain/loss

RRSP Portfolio CAD + USD holdings · Canada-US treaty · Live FX conversion

RESP Portfolio RESP holdings · Live prices · ACB · Low-cost ETF focus

RESP Tracker CESG grants · Up to 4 beneficiaries · Eligibility count

Margin Portfolio Margin holdings · ACB tracking · Capital gains → Tax Dashboard

Margin Interest Monthly interest log · Break-even yield · CRA Line 22100

Dividend Tracker Monthly income · DRIP · Per-ticker summary · Annual run-rate

Analysis & Reco Portfolio allocation · Diversification warnings · Alerts

Settings & Goals Name · Year · TFSA/RRSP/RESP limits · Margin rate · Goals

IMPORTANT — The template contains sample portfolio data to show you how the tracker works.
Delete the sample transactions in the Transaction Log and enter your own data to get started.
